

K-Love serves me as a resident in my local community. It is positive and encouraging and I listen to their station daily. If K-Love were replaced and removed, the local community would be left without one of three Christian stations in the area. One of them is not music oriented like K-Love, and the other sells commercial airtime, which for many people like myself is distracting to the Christian message we are trying to hear. By allowing us to voluntarily contribute to the station, we are choosing to further their mission of providing quality, family friendly Christian programming without commercials. It is in the public interest and a preservation of our constitutional right to freedom of religion. No one is required to listen or to pay to listen. It is a 100% voluntary endeavor, one in which I am happy to participate in. We could survive without K-Love, but I know that many share my feeling that if K-Love were removed, there would be a lot of unhappy and upset people. Please do not remove K-Love from my area. It has been inspirational to me, my fiance and my 5 year old son. We love it. Thank you. The Frank family (marrying my fiance on 10/23/04!)
